NEW YORK, Jan. 5, 1898.

Whole No. 693.

**W**E Recognize with much pleasure that the **CHRISTIAN NATION**, New York, has formally accepted, and is faithfully upholding the true historic position of the Covenanter Church; and Synod, realizing the urgent need at this time of a live weekly church paper, heartily commends the **CHRISTIAN NATION** to the patronage and support of the members of the church.—R. P. Synod, Pittsburgh, Pa., June 10, 1891.

**THE Christian Nation** is the officially endorsed paper of the Reformed Presbyterian (Covenanter) Church in America; is endorsed by leading ministers of the Covenanter Church in Great Britain and Ireland; and is the accepted family weekly paper of the Covenanter Church throughout the world.

**T**HE Christian Nation . . . appeared on the Covenanter's horizon in the year **1884**, commending itself to the people both by fidelity and merit, under the guidance of Mr. John W. Pritchard, Editor, until it received the endorsement of Synod, (American) and it never had a palmer day than now. Its integrity was severely tried in the conflict of 1891, yet was found to be morally immovable and editorially honorable.—Glasgow Convention, 1896.
