

## Why Christians Should Not Vote Under the Present Constitution.

1. Every one who votes accepts the Constitution of the United States.
  2. The Constitution of the United States does not accept Jesus Christ.
  3. We should not accept the Constitution of the United States until it accepts Jesus Christ.
  4. The Constitution of the United States should be amended by "devoutly recognizing the Authority and Law of the Lord Jesus Christ, the Saviour and King of Nations."
  5. He is the greatest patriot who does most to bring his country to Jesus Christ.
